Ed Grant Returns as Moody's Principal After Work on Ph.D. Degree at U of T

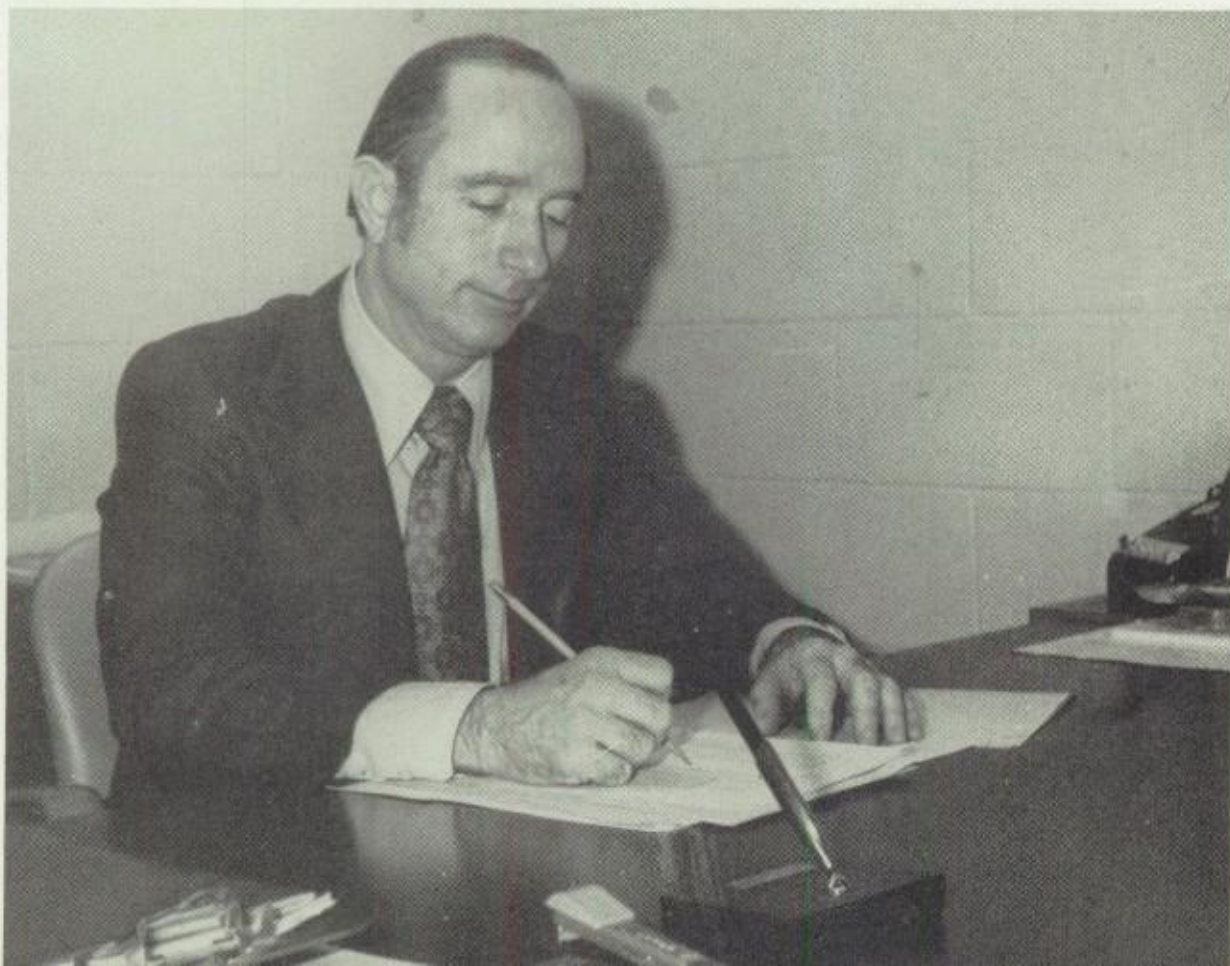

Four of the last five years of Mr. Ed Grant's professional experience has been at Foy Moody High School. He was one of the "charter" members of the administration.

Mr. Grant began his teaching career in Wylie, near Dallas, in the fields of history and science. Later, he taught math and science in Edinburg.

In 1961 Mr. Grant came to Corpus Christi and taught math and science at Ella Barnes Junior High School. Four years later he went to Roy Miller High School as second assistant principal.

When Moody opened in 1967, Mr. Grant became first assistant principal, a position he held for three years. During the 1970-71 school year he was principal of Wynn Seale Junior High School, but returned "home" this year to serve as principal.

Mr. Grant has a Bachelor of Arts degree from North Texas State University, and a Master of Science degree from Texas A & I University. At the time he received the appointment as Moody's principal he was on leave of absence to complete work on his Ph.D. degree at the University of Texas.

Norman Fleeman, who came to Moody when the school opened, serves as first assistant principal.

Mauricio Leal is new to Moody, coming from Roy Miller High School. He is the school's second assistant principal.

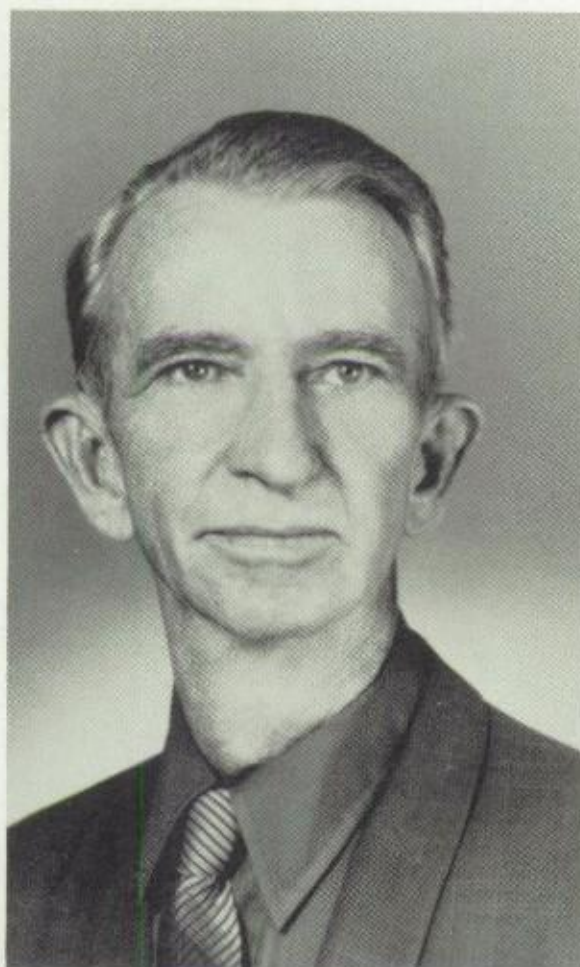

Four Counselors Available To Offer Student Guidance

Mrs. Laura Allard

Miss Corine Galvan

Mr. Jim Duncan

Mrs. Joy Houdmann

Members of the guidance department offer counseling for a variety of reasons ranging from problems in class schedules to a broken romance.

Students in any of the school's wide range of vocational programs consult Mr. Duncan. All others see Mrs. Allard, Miss Galvan or Mrs. Houdmann.

Counselors are no longer mere "sounding boards." Today they handle scheduling of all classes, trying their bests to keep students and faculty happy. They administer, then later interpret, tests and scores, assist interested students in securing scholarships, and help provide homebound teachers for students who, for various reasons, will be unable to attend regular classes for a long period of time.
